

City of Brooksville, Florida

Utilities Department - 600 South Brooksville Avenue, Brooksville, Florida, 34601

PRECAUTIONARY BOIL WATER NOTICE

DATE: Friday, March 17, 2023

TO: ALL Water Users at: Oaks Mobile Home Park – all units at 626 S. Broad St., Oaks Motel – all units at 630 S. Broad St., 650, 656, 660, 664, 670, 676, 682, 690, 698 S. Broad St., 80, 86, 90 Ponce de Leon Blvd., 675, 687 Harvard St.

This is to advise that on Friday, March 17, 2023, water service will be interrupted while City Utilities Service completes repair on a 1-1/2-inch water line. Water service interruption will be approximately two (2) hours starting at 10:00 AM.

When water service is interrupted, as a precaution, the City of Brooksville, Department of Utilities, advises that all water used for drinking or cooking be boiled. The U.S. Environmental Protection Agency has determined that a rolling boil of one (1) minute is sufficient to disinfect water. As an alternative, bottled water may be used for drinking and cooking. Water from the City's system after repairs are complete is approved for bathing and cleaning purposes only. Clearance for drinking and cooking will be determined by bacteriological examination.

This "Precautionary Boil-Water Notice" will remain in effect until satisfactory water samples are obtained confirming that the water is safe for drinking or cooking. You will be notified by a handout when the system is cleared for normal use. We expect this to be in 3-5 days.

If you have questions, please contact the City of Brooksville, Department of Utilities, at 352-540-3860.

Cordially,

Paul M. Booth
Public Works Director
