**A Site Plan of area in which the open fire is to be held, shall be attached to this permit application.**

1. The site plan shall include the proposed location of the fire site, as well as the distance (in ft.) of open fire in relation to any structures and vegetation in the area.
2. The location and type of extinguishing equipment shall be noted on the site plan.

Per City of Brooksville Code of Ordinance & Fire Department Regulations

- ◆ Open Burning fires shall be 300 ft or more away from any occupied structure.
- ◆ Open Burning is set back 100ft or more away from any public highway or road; and the prevailing winds direct the smoke away from the public highway or road.
- ◆ With the exception of Bonfires and recreational burning, all other forms of burning shall be ignited after 9am and is extinguished one hour before sunset.
- ◆ The Open Burning is ATTENDED AT ALL TIMES.
- ◆ The size of Bonfire allowed will be contingent upon site plan submitted, site inspection and the amount of resources committed to the fire. At No Time will the size of any Bonfire exceed 8'H x 8'L x 8'W.
- ◆ The Authority Having Jurisdiction (AHJ) shall be authorized to require any fire to be immediately be discontinued if the fire or smoke is determined to be a nuisance or the fire a hazard.
- ◆ Use of auto tires, waste oil, asphalt roofing and asphalt waste, creosoted materials, or any other hydrocarbon derivatives and materials such as excelsior, shingles and cardboard boxes are prohibited from use in a bonfire.

The AHJ has the right to deny this permit and any future permits if any of the above requirements are not adhered to.

I CERTIFY I WILL COMPLY WITH ALL REQUIRMENTS ABOVE.
