ISSUE DATE: _____

APPLICATION FOR PERMIT
WORK WITHIN CITY RIGHT-OF-WAY

This application must be completed for construction within any City road right-of-way or other public area.

Applicant's Name: _____ Engineer: _____

Mailing Address: _____ Phone: _____

Plans Submitted: YES () NO ()

Description of Work Proposed:

Starting Date: _____ Completion Date: _____

Permit subject to the following conditions:

- It is the responsibility of the contractor to locate all Utilities and secure all necessary permits required by those authorities.
- During construction, all Federal and State Regulations shall be observed and the holder must take such measures, including placing the display of safety devices, as required.
- The Building Department shall be notified twenty-four (24) hours prior to starting work.
- In case of non-compliance with City requirements, this permit will be null and void and the facility will have to be brought into compliance or removed from right-of-way at no cost to the City of Brooksville.

I certify that I am authorized to apply for such permit and that I agree with the conditions above stated.
